

**10,000+ members of the Low-Country community come through our gym doors every year!**

**Now is your opportunity to show your support and have your business benefit.**

Over the last decade the success of our team is unmatched in the the state of South Carolina. We have won a state championship, multiple lower state and region championships and over 20 of our former players have entered college basketball programs. This success does not come without a price. To maintain our program at such a competitive level, we must have support from sponsors.

Unlike other areas, Berkeley County does not provide athletic teams with funding necessary to compete with top programs in the state and country. Therefore financial support from the community through sponsorship is essential to our efforts in maintaining the standard of excellence. It is imperative that we get your support to keep this program at the top.

Some of the essential supplies that your sponsorship contribution will provide include:

**Academic Tutoring and SAT/ACT Prep Classes**  
**Uniforms and Practice Gear**  
**Game Officials**  
**Pre-Game Meals**  
**Travel and Lodging for National Tournaments**  
**End of the Year Banquets and Post-Season Awards**

Your financial backing fuels every aspect of our program, ensures our ability to succeed and will be good for your business.

Thank you for your time and continued support,
